Code of Conduct

The Council Bluffs Recreation Complex is owned, managed, and maintained by the City of Council Bluffs Parks, Public Property and Recreation Department. The management and staff of the Recreation Complex have four main objectives for service:

1. SAFETY: assuring hazard free playing surfaces, updated equipment, proper lighting and available staff.
2. QUALITY: assuring the best-groomed fields, safe quality turf, groomed pitching mounds, clean and maintained facilities and available staff.
3. EQUALITY: Whether you are a city league, a one-night rental or a 120-team, our staff exerts the same effort of preparation for all activities.
4. PRIDE: Our staff is proud of the Recreation Complex. We recognize that our facility is state of the art and continually growing. We receive more recognition with every passing tournament and every passing day. We continually set the bar higher for the standards we set forth, always keeping our guests' needs in mind. We welcome all players and want them to be as proud to play here as we are to work here.

With these objectives in mind, we ask that the following requests be honored by players, coaches and tournament directors:

- Gates will not open before 7:00 a.m., unless prior arrangements have been made.
- It is the decision of the Parks Supervisor if field conditions are suitable for play.
- In the event of adverse weather starting after activities begin, the Parks Supervisor can delay or cancel games.
- Concerns should be relayed first to the Tournament Director, and then directly to the Parks Supervisor.
- Soft pitching against the Cyclone Fencing is absolutely prohibited.
- When fields are being re-prepped, coaches need to remove their teams from the fields and dug outs for the staffs safety as well as the players. Refusal to do so will result in the fields not being re-prepped.
- There will be no warming up on the fields while staff is working on the fields.
- Please keep trash in the receptacles provided.
- Hostility towards any staff member will be rewarded by the individual or individuals being removed from the facility.
